## Physical Therapist & Physical Therapy Assistant

**Location:** Sánchez-Casal Tennis Academy, Naples, Florida, YMCA of Collier County (South Campus), Marco Island, Florida, Togetherhood Initiative Center, Immokalee, Florida

Core Health Partners is a community-based organization that delivers services within the spectrum of prevention, restoration, and rehabilitation. Our unique Clinic to Community model is built upon a seamless integration of clinical care, medical-based fitness, community-based resources, and self-management coaching and education. We work collaboratively with physicians, employers, and community partners committed to sharing resources, expertise, and vision for a healthier community.

### About this position

This position has an emphasis on working with general population with musculoskeletal, and chronic diseases that include diabetes, obesity, Parkinson's, arthritis, Alzheimer's, and vascular disease.

The Physical Therapist serves the needs for the world-class Sánchez-Casal Tennis Academy that may include serving the academy students and athletes who come to the campus for major tournament competitions. Our athletic trainer is the navigator for all sports related injury and medical illness to assure the students in the academy are well cared for, but oversight and assistance is expected.

### Core Health Partners Benefits

- ✓ Full time position
- ✓ Flexible schedule with competitive pay and benefits
- ✓ Paid time off and holiday pay
- ✓ 401(k) retirement plan
- ✓ Career development opportunities
